Meet the Gonzalez family! They are longtime RBI Austin participants with the oldest son Alex having played 4 years of RBI Austin baseball. Alex has also participated in RBI Austin's Player Development Program all 4 years and was baptized by his RBI mentor Casey Baeslack in 2013! This year, his 10-year old brother Andrés and 5-year old sister Analiya played their first years of Jr. RBI baseball and t-ball.

After graduating from Lanier H.S. in May, Alex was able to coach Andrés and the Kid Pitch Longhorns this summer, leading his little brother to the Kid Pitch Championship! We'd say that's a pretty nice welcome into the coaching world.

Here's the bigger picture... After 4 years of being invested in by his RBI coaches and mentors, Alex is now investing back into the younger kids in this community. Because of the RBI mentors who invested in Alex, he is now equipped and motivated to lead the transformation of his community. And that is what RBI Austin is all about.

Many thanks to the countless kids, families, coaches, mentors and donors who make RBI Austin possible. Stories like this would not be possible without you!
