RBI Austin players visit with pitchers Ross Ohlendorf and Jon Edwards before an Express game in July.

Later that night, our RBI teams enjoyed an Express victory and RBI player Lazaro Diaz was even given a bat by Express shortstop Hanser Alberto!

Thank you for helping make nights like this possible for our RBI kids.

On July 8th, RBI Austin players and coaches had the opportunity to hear from Texas Rangers pitchers Ross Ohlendorf and Jon Edwards before a Round Rock Express game.

Our RBI players got to ask questions and listen to Ohlendorf and Edwards talk about their careers, their faith in Jesus and what it takes to get to the big leagues. Ohlendorf and Edwards have both spent portions of this season with the Texas Rangers and Round Rock Express.

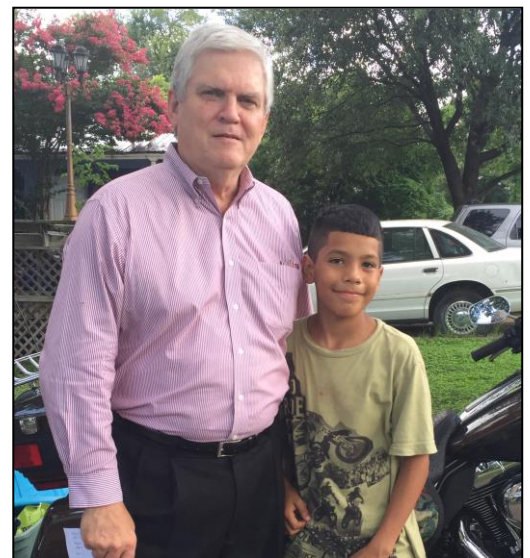

What's going on with RBI Austin?

Mia winds up to pitch for the Dodgers in a Jr. RBI softball game in July.

Our Jr. RBI Summer League is in full swing! Come join us for Triple A for a Day on Saturday, August 8th at Mabson Field. Express staff will bring the Dell Diamond experience to our 12U softball and baseball championship games.

Ken & Anthony met in June and are RBI mentor-mentee match #24!

RBI Mentoring provides mentors who walk beside kids and help guide them through life. We're now recruiting *The First 50* mentors (no sports experience needed!) who will lay the foundation for our vision of 1,000 mentors in 20 years.
